#### 1. Code of Conduct

At Angelorum College we expect our employees to conduct themselves as follows:

College employees are expected to always behave in ways that promote the safety, welfare and well-being of our students. They must actively seek to prevent harm to students, and to support those who have been harmed.

Specific responsibilities include:

- Employees should avoid situations where they are alone in an enclosed space with a student.
- When physical contact with a student is a necessary part of the teaching/learning experience, employees must exercise caution to ensure that the contact is appropriate and acceptable. Employees must always advise the student of what they intend doing and seek their consent.
- Employees must not develop a relationship with any student that is, or that can be interpreted as having a personal rather than a professional interest in a student.
- Employees must not have a romantic or sexual relationship with a student.

<sup>1</sup> *Working with Children (Risk Management and Screening) Regulation 2011 (Qld) Reg.3*

  - Accurate position descriptions, including whether the successful applicant must be a teacher registered with the Queensland College of Teachers (who has been subject to relevant police and other safety checks), whether a Blue Card is necessary for the successful applicant, the responsibilities and supervision associated with the position, the nature and environment of the service provided to children, and the experience and qualifications required by the successful applicant.
  - Advertising the position with a clear statement about the school's commitment to safe and supportive work practices and identifying that candidates will be subject to a teacher registration check or Blue Card screening, a police check, referee checks, identification verification and the requirement to disclose any information relevant to the candidates' eligibility to engage in activities including young people.
  - A selection process that includes assessing the application via an interview process and referee and other checks (as identified above) based on the accurate position description.
  - A probationary period of employment, which allows the school to further assess the suitability of the new employee and to act as a check on the selection process.
