Day School Stationery and Textbook Levy

All stationery and textbooks for the day school are covered with a one off annual levy of $250 per student. This includes all items that would normally need to be purchased for students such as pencils, pens, exercise books etc. This Levy does not include a one off additional fee for a student Bible which is given to each student from year 3 and up, for use during the whole time they remain at Angelorum College.

Day School Technology Levy

The Technology Levy of $50 per year includes subscriptions for use with curriculum. It also includes the use of onsite laptops for primary (Yrs P-6). High school students require their own laptop (BYOD) for use both at school and home.

Distance Education (DE) Additional Resources

An itemised list of additional resources is invoiced at the beginning of each year. This includes costs for postage, printing, binding, textbooks & other resources. This varies according to the year level of the students (allow $200-$400 per year).

Optional Building Fund Donation

All contributions to the Building Fund are tax deductible. These monies contribute to building alterations, renovations and new projects which benefit both Day and Distance Education Families. A *voluntary building fund donation* of $500 per family per year will be included on the Term 1 invoice. Some may prefer to schedule a regular weekly donation of $10-30/wk which can be arranged by email to office@angelorum.qld.edu.au. Tax receipts are issued at the end of each financial year.

Withdrawal of enrolment

Enrolments are considered continuous for the whole of the students' schooling from Prep-Yr 10. If a student is withdrawn before this time, notice in writing must be given to the Principal at least one term before leaving. If this does not happen, a full term's fees will be charged.

This schedule was approved by the Chairman of the Board of Opus Angelorum Ltd (t/a Angelorum College), and is subject to change.
